

SHAW 4-STAR WARRANTIES

SHAW 7-YEAR LIMITED QUALITY ASSURANCE WARRANTY

We at Shaw are so confident of the quality of our carpets that we provide you with this 7-Year Limited Quality Assurance Warranty. This assurance of quality comes to you from the world's largest producer of carpet.

Who is covered

This warranty protects you, the original purchaser, if you have purchased a Shaw **4-Star** carpet for your own residential use in an owner-occupied residence.

What is covered

This warranty covers manufacturing defects that could occur in any Shaw **4-Star** carpet. By manufacturing defect we mean any defect in material or workmanship.

Carpet must be correctly installed in a proper indoor installation using a pad that meets FHA/HUD requirements, following the Carpet and Rug Institute Residential Installation Standard CRI- 05. Consult your retailer for details.

Exclusions

Matting and crushing, or any change in appearance retention, are not manufacturing defects and are excluded from this warranty. For the purpose of this warranty, matting is defined as the loss of twist from the tips of the pile tufts and entanglement of the fibers. Crushing is defined as the loss of pile thickness due to foot traffic only. Crushing caused by furniture, including impressions left by legs of furniture, is not covered by this warranty.

Fading caused by sunlight, chemicals, or atmospheric contaminants is excluded from this warranty.

The coverage period

This warranty coverage runs for seven years from the date your carpet is installed.

What Shaw will do

If your carpet proves defective during:	Shaw will offer credit equal to the cost of the carpet material only:
the 1 st year	100%
the 2 nd year	100%
the 3 rd year	80%
the 4 th year	70%
the 5 th year	60%
the 6 th year	50%
the 7 th year	40%

The credit will apply only to the affected area or room. The credit will be issued to your retailer as a percentage of the retailer's replacement cost of new carpet of the same or comparable quality. The credit will be good only toward the purchase of new Shaw carpet. There will be no cash payment.

Shaw reserves the right to repair the defective area in question if restoration is practical. In such cases, repair will be effected in lieu of carpet replacement, at the sole discretion of Shaw.

Labor charges

During the first year of coverage under this warranty, Shaw will arrange for a credit to your retailer for reasonable labor charges to repair or replace defective areas when any of the following specific manufacturing defects are involved: excessive fuzzing, carpet tufts pulling out, crocking, fading, or delamination.

Shaw will not provide credit for labor charges for appearance-related manufacturing defects that should have been detected before or during installation, such as missing tufts, dye spots, tears, loose backing; etc. Pile distortion or roll crush is a temporary, correctable problem which is not considered a manufacturing defect.

HOMEOWNER OBLIGATIONS UNDER THE SHAW WARRANTIES

What you must do

In order to maintain and protect your coverage under the terms of these warranties, you must do the following:

1. Keep proof of purchase in the form of a bill, invoice, statement, or this completed warranty brochure from your Shaw retailer, showing the price you paid for the carpet, excluding pad and labor.
2. Install your carpet according to the guidelines outlined in the Carpet and Rug Institute Residential Installation Standard CRI-105, and maintain your carpet according to the recommendations described in the Shaw "Carpet Care and Maintenance" booklet.
3. Be able to show proof of periodic steam cleaning by a professional cleaning service. A bill, invoice, or statement showing cleaning service with descriptions will serve as proof. Depending on the level of traffic, family size, soil conditions adjacent to the home, and other circumstances, more frequent cleaning may be advisable. Please refer to the cleaning recommendations contained in the Shaw "Carpet Care and Maintenance" booklet.

LIMITATIONS ON YOUR SHAW WARRANTIES

Non-transferability

These Shaw warranties are extended only to the original purchaser and are not transferable.

First quality products

Warranties are not applicable to carpet sold as second quality, irregulars, used, or as mill ends.

Improper installation

Improper installation can cause problems with your carpet. To ensure proper installation, your carpet should be installed in accordance with the Carpet and Rug Institute Residential Installation Standard CRI-105. Consult your floor covering retailer for details. We are not responsible for any defects caused by improper installation. Examples are wrinkling due to insufficient stretch, loss of tufts due to improper seaming, and/or damage to the backing system.

Improper maintenance or inadequate care

Your carpet requires routine maintenance. Please follow the recommendations described in the Shaw "Carpet Care and Maintenance" booklet. We are not responsible for damage to your carpet caused by improper maintenance or inadequate care, which could void all or part of your warranty coverage.

Accidents, abuse, or abnormal wear

Your Shaw warranties do not cover damage resulting from accidents or abuse such as staining, soiling, burning, flooding, cutting, and damage caused by pets. Staining from common household food and beverage substances is covered under the Shaw stain warranties or similar warranties from fiber or chemical manufacturers.

Pad failure

Deterioration of the padding can cause problems with your carpet. We are not responsible for any defects caused by failure of the carpet pad. Please see the pad manufacturer's warranty statement for more information. NOTE: Shaw recommends a pad with a maximum thickness of 7/16" and minimum 6-lb. density

for optimum performance. Firmer, thinner pads generally perform better.

Problems with moisture

Your Shaw warranties do not cover problems caused by wetting or the persistence of excessive moisture. For immediate assistance, contact a certified water damage restoration specialist. The Institute of Inspection, Cleaning and Restoration Certification (IICRC) maintains a registry of trained, certified specialists: call 1-800-835-4624.

Changes in carpet color

Your Shaw warranties do not cover changes in carpet color resulting from external causes, such as fading due to sunlight or spills of household chemicals and other non-food and non-beverage substances.

Differences from samples

Your Shaw warranties do not cover minor and normal differences between the color of the retail store sample and the color of the actual carpet.

Replacement of discontinued carpet

If your carpet has been discontinued and replacement is necessary under the terms of your Shaw warranty, Shaw will offer a substitute carpet of comparable quality.

Geographic locale

These warranties apply only in the United States and Canada.

Consequential or incidental damages

WE EXCLUDE AND WILL NOT PAY CONSEQUENTIAL OR INCIDENTAL DAMAGES UNDER THESE WARRANTIES. By this we mean any loss, expense, or damage other than to the carpet itself that may result from a defect in the carpet.

IMPLIED WARRANTIES

NO IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, EXTEND BEYOND THE FIVE-, SEVEN-, OR TEN-YEAR TERMS OF THE WRITTEN SHAW INDUSTRIES WARRANTIES. By implied warranties we mean ones that the law presumes to have been given by the seller even though they aren't set out in writing.

PLEASE NOTE: Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you.

YOU HAVE LEGAL RIGHTS UNDER THIS WARRANTY. These warranties give you specific legal rights, and you may also have other rights which vary from state to state. Except for these rights, the remedies provided under these warranties state the limit of Shaw Industries' responsibilities.

SHAW WARRANTY COVERAGE

You have chosen a product noted for quality and backed by the world's leading carpet manufacturer. Whether you selected a **3-**, **4-**, or **5-Star** product, your new carpet offers warranty coverage specific to its category.

Warranty Extensions

Many Shaw carpets feature branded fibers, such as those from DuPont (Stainmaster®), Solutia (Wear-Dated®), or Honeywell (Anso®). In most cases, these fiber companies offer their own warranties, although the coverage period may not be as long as the time specified in similar Shaw warranties. In these instances, Shaw has elected to extend the coverage and assume liability for the additional coverage after the primary fiber warranty coverage expires.
